

How To Place A Monument

The Process

1. Get your Pastors support (See Pastor Support Section).
2. Pick a weekend and recruit a spokesperson and volunteers to take donations and pledges after each service
3. Order samples from Project Moses by calling 1-888-667-3710
4. Have the weekend – remember, the plaques are a gift for donations and pledges of \$30 or MORE!!!! The “Or More” part is the most important message in determining the success of your weekend!
5. Order plaques and order your large monument. Plaques are shipped 2-3 weeks after payment is received - \$12.50 per plaque – we make nothing off this program! \$12.50 per plaque is our raw cost to produce, box and ship the plaque. Large monuments are available for delivery 12 weeks after payment is made.
6. Distribute plaques at the back of Church for those who have paid. For those who have pledged, get payment before plaques are given to them.
7. Call Project Moses to set a delivery date for your large monument. We pay for delivery so the product is insured to your door and invoice you for shipping once you sign for an Undamaged delivered monument – average shipping \$500.
8. Receive shipment of large monument and install.

Pastor Support

Your Pastors support is critical.

Talking Points when speaking with a Pastor

What Project Moses is hearing from Catholic Pastors around the country:

“ I knew the monument would be physically impressive at over 5 ft. tall but I did not expect longer confessional lines, greater Mass attendance, 1st reconciliation and communion classes doing etching off the monument and wedding parties including the monument in their photos! This has been great for our parish and because it is positioned in front of the Church for the public to view, it has been great for our community.”

-Pastor

Give him a brochure for his review.

Needed from the Pastor:

- Support for the public display of the Commandments on the Church property (Its final display area and/or color need not be decided until it is time to order. Even then, many Churches order it and store it until a site is determined and prepared).
- A weekend to ask for donations after the Masses needs to be agreed upon.
- A letter of support in the bulletin the week before the fundraising weekend and on the weekend itself.

The Fundraising Weekend

Order sample plaques from Project Moses 3-4 weeks in advance of your weekend. **There is no minimum order**, so you cannot lose money. Because we charge you our actual cost to produce and ship these plaques, **Project Moses makes nothing off of your fundraiser.**

Personnel Needed:

A Spokesperson

The talk should be no longer than 5 minutes and should express the following points:

- Moral backsliding of society over the last 30 yrs
- Removal of anything related to God from public places and public view
- The ACLU is **not** the problem but the symptom of apathy. We the faithful who do not stand up for the faith are the problem. Quote from Edwin Burke - “The only thing necessary for evil to succeed is for good people to do nothing.”
- Part of the solution is for Churches to display support for God’s law by publicly displaying the Ten Commandments on private property where they cannot be taken down. Quote from Joe Worthing, executive director - “If the first place someone sees the Commandments is a county courthouse, that’s probably why he is there!”
- By joining Project Moses the parish will not only be displaying a monument at your church but also helping to fund the National Memorial in Washington DC and

will be recognized as one of the Churches on a display at the Memorial.

- In fulfilling the PM mission to restore respect in the Ten Commandments PM hopes to place these 10 Commandments plaques in as many homes as possible while erecting monuments at Churches, and so, for a donation of \$30 or more for the monument, you will receive a Ten Commandments plaque for your home or office.
- Volunteers are at the exits to take your donations or if you do not have a checkbook or cash with you, don't worry, make a pledge and we will collect it from you when we deliver your plaque.
- Thank you in advance for supporting God's Law!

Volunteers - 2-3 volunteers will be needed at each table, one table at each exit.
